Immunization Acknowledgement Form

Twin Ridges is an independent study program. You have the option to not vaccinate your children and attend our program. However, the legislature is planning to clarify certain aspects of the law and it is possible that this could change. This change could include, but is not limited to your student allowance to participate in learning center offerings such as enrichment or field trips. If you transfer to another school with a classroom based program you will be required to provide proof of immunization, a personal beliefs exemption (dated before Jan 1st, 2016) or a medical waiver.

We require proof of vaccination if your student was vaccinated.

Please sign this acknowledgement form if your student does not have a proof of immunization, a personal beliefs exemption (dated before Jan 1st, 2016) or a medical waiver .

Please note, this form is only for Twin Ridges Home Study Charter School records and state reporting. It can not be transferred to another school.

Please check all the boxes that apply to your student:

- They received no immunization
- They received partial immunization.
- They do not have a personal beliefs exemption form (dated before Jan 1st, 2016).
- They do not have a medical waiver from vaccinations.

Please sign below to indicate that you have read and understand the above information.
