Home Language Survey

All new Transitional Kindergarten, Kindergarten students and any students who are new to the California public school system are required to fill out the Home Language Survey below. This includes students coming from R4 (private affidavit, private school, out of state or out of the country).

Student name: _____ Birthdate: _____

Please list only ONE language for each question.

Which language did your child first learn to speak?

Which language does your child most frequently read/speak at home?

Which language do the parents/guardians most frequently speak to the student?

Which language is most often spoken by the adults in the home?

Is your child fluent in English?

YES

NO
