▶ *Build Character Build Success: INTEGRITY*

Discussion Questions:

1. This video says that if you are kind, truthful, honest, and fair, people will see you as a person with integrity. Which one of these four adjectives (kind, truthful, honest, or fair) sounds the most like you? What are some examples of times that you showed this character trait?

2. Which part of integrity (kind, truthful, honest, or fair) do you find most challenging? How could you grow in this area?

3. Another message in this video is that someone with integrity "always does the right thing because it's what they believe in." This is a good goal to try to reach, but no one *always* does the right thing. What can you do if you make a mistake and act without integrity?
