We enjoy assisting families with child development, counseling, education, employment tools, and community resources. You are welcome to come by and use our computers, browse our library, shop in our clothes closet, and play with your child. Our Story Time Mondays' playgroup is for families with children 0-5. Stories, crafts, and activities are provided. PARTNERS summer camp is a fun activity for youth in the Penn Valley area. We collaborate with the Diaper Project, the Retired Senior Volunteer Program, the Community Nutrition Educator, and many others. San Juan Ridge FRC  
Since 2005

Our mission is to connect, support, and celebrate families of the San Juan Ridge. In addition to core PARTNERS services, we provide the following to people of all ages: emergency firewood, food pantry, laundry station, periodic workshops, community events and forums. We also provide afterschool enrichment classes and summer camps for children, as well as occasional classes for adults. Every Tuesday we host a drop-in playgroup for children 0-5 and their families that includes arts and movement activities, a healthy snack, stories and songs. We also house the Tsi Akim Maidu Library of books on California and world indigenous cultures. All services are free and confidential.
