

Board of Directors Procedure for Public Comment Time Limit

General public comments are welcome at the beginning of the Board of Directors meeting when the time for public comments is announced. During this time general comments should be kept to three minutes per person and not exceed twenty minutes total. Public comments for specific agenda items are also welcome during the time a specific agenda item is discussed. Comments during specific agenda items should also be kept to three minutes per person with a total of twenty minutes per agenda item.
