April 2, 2020

Dear TRHS Parents and Families,

I am writing this letter in order to update you regarding school facility closure. We are extending the closure of Twin Ridges Home Study Charter through the end of the school year due to the prevention of the spread of Covid-19 (Coronavirus). We were originally going to reopen on May 4th but due to the need to practice social distancing, we will be closed through the end of the school year. This decision was made in collaboration with all Nevada County public schools.

What does this mean for Twin Ridges Home Study Charter students and their families? This means that enrichment classes are cancelled for the rest of the school year at all three TRHS school sites. It also means that field trips and all end of the year activities are cancelled as well.

Please continue your homeschool routines throughout this closure. It is extremely important that TRHS students continue learning and progressing with their academic routine through a stressful and unusual time. Please continue keeping in contact with your Supervising Teachers as well. The TRHS homeschool model is our distance learning model. All Nevada County public schools are continuing distance learning through the end of the school year.

Please read the accompanying letter for further information. Please contact me at jdearduff@trhs.us with any questions. Thank you for your patience and support during this process. Thank you for all you do for your students!

Sincerely,

Jennifer Dearduff
Director
Twin Ridges Home Study Charter
