August 28, 2020

Dear Twin Ridges Home Study Parents and Families,

I hope this letter finds you safe, happy and healthy. Wow! This has been an interesting time for us all and I am wishing you the best during this peculiar time. I am writing this letter today to update you on a few developments here at TRHS.

First, we are working on putting together zoom enrichment classes. We already have some talented and dedicated enrichment teachers working hard on creating meaningful enrichment for our students who wish to participate in this opportunity. There will be a wide variety of classes offered. Although we are still in the planning stages, this program will be kicked off in September. If you are interested in your student taking zoom enrichment classes this semester, please let your supervising teacher know. The cost of each class will depend on the amount of interest we have. This would be a perfect way to use some of your educational allowance if your family chooses to participate. We are extremely excited to begin this program!

Second, I want to let you know that we have ordered more chromebooks! This is exciting as well because there are some TRHS families that would like to use one to access online resources, create documents, conduct research and hopefully access the zoom enrichment classes. Our goal is to provide a TRHS chromebook for each family that needs to borrow one. They are ordered and on their way!

Lastly, we are in the process of signing into agreement with some online resources so that we may provide them to students who are interested. We are looking into working with Reading Eggs, Prodigy and Adventure Academy. Hopefully, these agreements will come to fruition soon so please speak with your supervising teacher to inquire about taking advantage of these free resources!

I was anxious to get this letter out to our TRHS families because we have some very exciting things happening for our families. Thank you for being part of the TRHS family! We appreciate all your support and the hard work you put into the beautiful process of homeschooling!

Please don't hesitate to email me with any questions at jdearduff@trhs.us. I always love to hear from our parents!

Sincerely,

Jennifer Dearduff
